CFRSCS.com

Founded in late 2003, Cash Flow Resources, CFR, is a private commercial factoring company serving local and regional businesses, primarily in the gulf south. CFR does this by purchasing the commercial receivable accounts (invoices) generated from the sale of clients' products and services. This is called factoring.

The CFR team has years of practical banking and commercial experience to assist clients as they work to better manage their operations. Primarily a factoring company, CFR purchases commercial invoices to provide funding to its clients, but additional consulting and accounting services ensure clients are able to benefit further from their relationship with CFR.

Welcome to Louisiana District Export Council Export Counseling and Assistance

Some of Louisiana's most experienced export executives stand ready to advise local companies on export issues and international market development. LDEC members are seasoned international traders appointed directly by the U. S. Secretary of Commerce.

The LDEC mission is to help the U. S. Commercial Service / New Orleans U. S. Export Assistance Center (USEAC) identify potential exports and act as mentors for new exporters. It acts as the primary trade outreach advisor to the USEAC. If your company is an established business you may receive export counseling from the LDEC at no charge.

In an effort to increase LDEC outreach, the LDEC has partnered with several state and local trade promotion organizations, such as the Louisiana Department of Economic Development, the World Trade Center of New Orleans, Metrovision, Le Centre International de Lafayette, the Southern U. S. Trade Association, and the University of New Orleans / Louisiana Small Business Development Center. The LDEC works with its partners to co-sponsor international trade events. In addition to local partnerships, the LDEC has also partnered with the Export-Import Bank of the United States and the U. S. Small Business Administration in developing export finance programs and credit insurance.

HurricaneBBQ.com

In the words of the founders: "Several years ago while drinking a lot of beer at the 'home of the Tacky Ash Tray' two semi-intellectual New Orleans businessmen had a sudden urge for the smell of mesquite and the taste of great BBQ. Knowing they could not get a weekend pass from "The Home" to go to Texas they decided to embark upon a major undertaking, that being to build a BBQ trailer/smoker near the River Shack on River Road. What else brings a gleam to men's eyes everywhere besides beer and an 18 foot BBQ pit.....not what you are thinking, that name was taken. So they named the company after the most famous drink in New Orleans-Hurricane BBQ and Seafood Company."

The screenshot displays the Hurricane BBQ & Seafood Co. website. At the top right, the phone number "Call Today: 504-315-4BBQ(4227)" and a "Request Quote" button are visible. The navigation menu includes "Home", "Our Story", "Menu", "Testimonials", and "Contact Us". A large banner image shows succulent BBQ ribs. Below the banner, there are three main sections: "Great Food" with a description and a "view our history" button; "Menu" with a description and a "check our Menu" button; and "Map / Location" with a Google Maps embed showing the address "4011 Airline Dr Metairie, LA 70001". A "BBB ACCREDITED BUSINESS" badge is also present. At the bottom, there is a testimonial section with a "Recent Posts" widget, another "Map / Location" widget, and a "Contact Us" form with fields for Name, Email, and a "Send Message" button. The footer contains copyright information and a secondary navigation menu.
